

FLOS

Captain Flint, Brass - Specification Sheet by Michael Anastassiades, 2015

Mounting	Free Standing
Lamp (Bulb) Description	1 COB LED 2700K 557lm CRI93 20W Dimmer
Environment	Indoor - Dry Location
Finish	Brass
Technical and Product Description	Sleek and graceful, this versatile floor lamp features smart details from head to toe. At the top, its spinning cone diffuser provides direct light that can be repositioned. On the bottom, it is weighted by a stunning white Carrara or black Marquina marble base. Its stem and cone are available in painted steel or brushed brass. The diffuser is injection-molded opal photoengraved PC (polycarbonate). Its power cord measures 260 centimeters and features a foot dimmer switch with ON-OFF functions and 10-100% light adjustment. The plug-in power supply includes interchangeable plugs.

Inspiration behind the design:

There's a duality to this finely balanced piece from artist Michael Anastassiades. "I wanted to design a light that was dual purpose"; he says. "It is an up lighter, illuminating the space with ambient lighting, and its rotation also offers a dim companion for reading. There's a notion of balance, with a cone resting delicately on its point on a rotating rod."

Electrical

Voltage	100-240V
Switching	Foot Dimmer switch that provide ON-OFF functions and 10-100% light adjustment with memory
IP Rating	IP20

Physical

Cord Length (inches)	102.36" - Black
Construction Material	Steel, Polycarbonate, Marble
Weight	18 lbs

F1530059 Brass
