Technical and Product Description	The Gun Table Lamp, first designed in 2005, is part of the very poignant Guns Collection by Philippe Starck. 20% of sales from the Guns Collection is donated to Frères des Hommes, a charitable organization dedicated to abolishing poverty around the world. The body of the GUNS TABLE lamp is made from die-cast aluminum with an over-molded polymer coating. It is available in a combination of polished 18K gold with a shade in matte black and a gold silkscreen on the inside or chrome finish with a white shade and silver silkscreen on the inside. The shade is made from plasticized paper. This Philippe Starck Guns table lamp uses a medium frosted halogen bulb providing direct reading and ambient lighting.
