

Aoy - Specification Sheet
by Achille Castiglioni, 1975

Mounting	Table Top
Lamp (Bulb) Description	1 x 100W T8 E26 Base Frosted Halogen (Included)
Environment	Indoor - Dry Location
Finish	Opal
Technical and Product Description	First designed and in production since 1975, the curious shape and design of the AOY table lamp adds a touch of contemporary style to any home it is placed in.

The modern table lamp comprises of a clear glass cylindrical outer body. There is a white opal glass diffuser/reflector placed inside on the top part of the body. The light is made from hand-blown glass parts – there are no metal pieces involved. The designer who loved cats, created the bottom opening as a place for them to curl up and get warm from the heat of the lamp.

This intriguing Achille Castiglioni lamp provides diffused light.

Inspiration Behind the Design:

Achille Castiglioni designed this with the clear intention of making full use of the light that usually gets wasted on the stem. His love for cats is clearly visible in this design, the small opening on the bottom provides a warm resting place and it also convenient when trying to clean the area below.

Electrical

Voltage	120
Switching	ON-OFF (double) switch for the first and second lamp
IP Rating	IP20

Physical

Cord Length (inches)	92" - White
Construction Material	Glass
Weight	24.6 lbs

FU020071 Opal
